

Letter from the Founder/CEO

Dear Friends,

The year 2022 flew by as we served YOU and the community. **God gets all the glory** for everything He has done as He continues to carry us forward in our mission to provide community and connections to inspire hope and help transform lives of families of the incarcerated. I am beyond thankful and grateful for YOUR continued generosity and support which caused us to make an impact. **Impact isn't about numbers/transaction as much as it is about transformation and sharing tools for everyday living through FFL's 12 Steps to Inner Healing that when applied, cause us to be the change we want to see for ourselves and those in our circles of influence.** This creates healing for individuals, which leads to healing for families, and then our communities which helps to fulfill our vision that as families are healed, recidivism will be reduced.

This year's annual report highlights include: giving returning citizens Welcome Home Bags filled with hygiene and a gift card; provided a fully sponsored retreat for women impacted by incarceration; hosted workshops and a community event with pertinent information such as the need for mental health first aid training where we provided food, fun, and games; sponsored support group participants at Art of Becoming; provided access to spiritual direction/inner healing/trauma sessions; and provided a plethora of resources. We believe there is no refusal without referral. YOUR monetary and in-kind donations made all this possible.

We certainly need your continued support in 2023 to help bring about what God is downloading as we move forward into all He has called us to do, including the annual Women's Rejuvenation Retreat, more community outreach and expansion of support group. Friends, thank you for supporting FFL and helping to facilitate inner healing one person and family at a time.

Warmest Regards,

Michelle Smith Lewis

We have become his poetry, a recreated people that will fulfill the destiny he has given each of us, for we are joined to Jesus, the Anointed One. Even before we were born, God planned in advance our destiny and the good works we would do to fulfill it!

Testimonials

"Thank you ladies so much for opening your hearts and arms to me during the support group meeting yesterday. That was my first meeting and it was exactly what I needed. I felt heard, understood and received going through such a traumatic event. I am grateful. I look forward to connecting again. Michelle Smith Lewis you are amazing and I felt every sense of genuiness, love and support from you and I am blessed to know you. I feel that God put you in my life for this very reason during this season. He knows what and who we need and this has lined up perfectly. Thank you and your organization for all you do.
